

Add request for carryover article

You can add a request for an article carried over from any of the catalogs linked to the selected catalog. The last updated article in any of the linked catalogs is added. To add a carryover article request follow these steps:

1. Click **+ Article**, then select “Add Request for Carryover Article” and click **Next**, the following window appears:

The screenshot shows a light gray dialog box with a close button (X) in the top right corner. The main text inside the dialog reads: "Please enter article number that you would like to request to carryover". Below this text is a text input field with a red asterisk and the label "ARTICLE NUMBER" above it. The input field contains the placeholder text "Article Number". At the bottom of the dialog, there are two buttons: a "CANCEL" button and a blue "NEXT" button.

2. Enter the article number of the linked catalog, then click **Next**, the following window appears:
