

Export forecast summary

To export forecast summary, follow these steps:

1. Click **Export**, the following window appears:

The screenshot shows a window titled "Export" with a close button (X) in the top right corner. A progress bar at the top indicates five steps: 1. Data, 2. Format, 3. Filter, 4. Options, and 5. Review. The "Data" step is currently active. On the left side of the window, there is an image of a stack of books. To the right of the image, a welcome message reads: "Welcome to the Export Wizard. The following steps will guide you through the process of exporting any required information from this catalog. Please begin by selecting what information you would like to export. Or select one of the saved options". Below this message is a list of options with radio buttons: Articles, Merchandising Board, Orders, Order Form, Requests, Forecast Summary (which is selected and highlighted in blue), and Forecasts. At the bottom right of the window, there are two buttons: "BACK" and "NEXT".

If options are saved, a menu appears enabling you to select the export option you want as shown below:

FINISH

If the selected customer is “Full Range”, the window appears as shown below to enable you to select the customer you want:

The screenshot shows a software window titled "Export" with a close button (X) in the top right corner. A horizontal progress bar at the top contains five steps: "Data" (with a green checkmark), "Format" (with a green checkmark), "Filter" (with a circled 3), "Options" (with a circled 4), and "Review" (with a circled 5). Below the progress bar, on the left, is a vertical image of a stack of books. To the right of the image, the text "* CUSTOMER (DISPLAYING FIRST ITEMS)" is followed by a search input field containing the text "Select a customer". At the bottom right of the window, there are two buttons: "BACK" and "NEXT". The "NEXT" button is highlighted in grey.

Select the customer you want, then click **Next**.

4. Select the attributes you want to include in the Excel file then click **Next**, the **Review** window appears:
