UPDATE

You can either share to a group of users, or individual users, or share to a folder or subfolder. Only users allowed to share the selected folder are displayed within the list.

3. Click the group(s), or user(s) to which you want to share the slides and folders, or click **Add All** to share with the whole list. You can also click **Add from Clipboard** to paste a list of users or user groups.  
 You can remove a user by clicking it from the Selected users section or click **Remove All** to clear the list of selected users.
4. Select the folders or subfolders if you want to share the selected slides to folders,
5. Click **Update**, slides and folders are shared with the selected users and they are marked with an icon.

Slides shared by other users can only be viewed in the **Shared** tab and you will not be able to do any changes on them but you can view the folders and slides that are shared by clicking the email address of the user. Email notifications can be configured to send an email to the user with whom the slide is shared.

**Note:**

- You cannot perform any actions on shared slides and the toolbar buttons are deactivated. Only the slide owner can do changes to it.

To unshare a slide, follow these steps:

1. Click **Share**, the shared slides checkboxes are selected as shown in the below example:

The screenshot shows a dialog box titled "Share slide(s)" with a close button (X) in the top right corner. The dialog is divided into two main sections: "Slides" (marked with a circled 1) and "Users" (marked with a circled 2). Under the "Slides" section, there is a red asterisk followed by the text "Select the slides you would like to share". Below this, there are two expandable lists. The first list, "Default", is collapsed. The second list, "Winter Collection", is expanded and shows two items: "Shirts (Wide Screen)" with a checked checkbox and "Sweatshirts (Wide Screen)" with an unchecked checkbox. At the bottom of the dialog, there are two buttons: a grey "BACK" button and a blue "NEXT" button.

2. Click **Next**, the list of users with which the slide(s) is shared are displayed as shown below:
