

## Delete and activate watch filter

To delete a watch filter, follow these steps:

1. Click the checkbox(es) next to the filter you want to delete as shown in the below example:

The screenshot shows the T1-STUDIO (DOC) - WINTER COLLECTION interface. The main content area displays a table of Watch Filters. The table has the following columns: Id, Name, UserName, Price Groups, Segmentations, Filter, Status, Created Date, Updated Date, and Created By. There are three rows of filters, each with a checkbox in the Id column. The first row (Id: 3) has a checked checkbox. The second row (Id: 2) has an unchecked checkbox. The third row (Id: 1) has an unchecked checkbox. The Status column for all filters shows 'Active'. The 'Delete Watch Filter(s)' button is highlighted with a red box in the top right corner of the table area.
