RS		Total I	Price					1,120	AED 112,000						

The window displays the order information such as the order reference, status, customer code, and location code, etc.

Enter the alias and customer reference, if you want, the **Save** button appears and you need to click it. To manage the VAS values for orderlines, refer to "<u>VAS</u>".

If the delivery date or size for any of the orderlines is not available, a notification is displayed next to the orderline as shown in the below example:

Also if the delivery date is shifted, a tooltip is displayed for the orderline which shows the old delivery date and the new delivery.

If any of the articles added to the order is no longer available in T1, the window appears as shown below:
